## SUMMARY

Highly motivated and detail-oriented 3rd year computer science undergraduate with a strong proficiency in multiple programming languages and web development technologies. Demonstrated hands-on experience in various projects, showcasing a solid understanding of software development principles, Known for adept problem-solving skills, effective leadership abilities, and a collaborative approach to research.

## EDUCATION

**G. H. Raisoni University**                                                                                          Amravati
*Bachelor of Technology in Computer Science and Engineering, **CGPA: 9.45***                      *Aug 2023 – Present*

**Dr. B. R. Ambedkar Jr. College**                                                              Hinganghat, Wardha
*Higher Secondary Certificate, **Percentage: 67%***                                                         *2021 – 2023*

**Dr. B. R. Ambedkar School,**                                                                    Hinganghat, Wardha
*Secondary School Certificate, **Percentage: 91%***                                                                *2021*

## PROJECTS

**Wanderlust**   🌐 Live Demo                                    *EJS, CSS, Node.js, Express.js, MongoDB, Bootstrap*
  - Developed **Wanderlust**, an Airbnb-style listing platform with detailed property pages.
  - Implemented CRUD operations to add, update, and delete listings with a review system for each property.
  - Integrated secure user authentication and authorization using **PassportJS**.
  - Designed a **clean, intuitive, and fully responsive UI** optimized for mobile and laptop screens.

**Resume Builder**   🌐 Live Demo                                      *React, ExpressJS, Tailwind CSS, MongoDB Atlas*
  - Built a fully interactive **Resume Builder web application** using **React** with real-time editing, preview, and customization features.
  - Integrated **AI-powered content enhancement** using **Google Gemini** to auto-generate professional summaries, improve sections, and rewrite resume content.
  - Implemented **theme customization**, **image upload** with **background removal**, and modular section editing for a smooth and user-friendly **UI/UX**.
  - Added **secure routing**, dynamic state management, and **optimized performance** to ensure a seamless resume creation process across all devices.

## TECHNICAL SKILLS

- **Languages:** Java, Python, C/C++, SQL, MongoDB, JavaScript, HTML/CSS, Tailwind CSS
- **Development:** React.js, Node.js, Express.js, Bootstrap, RESTful web services
- **Developer Tools:** Git, Github, VS Code, Postman
- **Coursework:** Database Management System, Data Structures and Algorithms, Object Oriented Programming, Operating System, Computer Networks.

## ACHIEVEMENTS

- **Code Mania** : Secured **1st position** in debugging competition in college.
- **Top 5 in Hack-On**, a 8 hours hackathon organized by Google Developer Student Club (GDSC) at Government College of Engineering, Nagpur – Feb 2025
- **5\* Gold Badge** at HacheRank
- 150+ questions solved on Leetcode
- **University Topper** with **9.9 SGPA**
